

AO3000X Light Commercial Air Purifier™

The Air Oasis 3000 Xtreme is a light commercial air purifier. It's compact size makes it easy to move from room to room, but don't be fooled. This small air purifier can pack quite a punch! It's perfect for use in large open rooms, and areas where odors are a big concern. Many smokers rave about the benefits of having one in their home, at their local lodge, or by designated smoking areas at work. Keep any area smelling fresh and clean.

Air Oasis Air Purifiers™ have been extensively tested and proven effective against a wide range of contaminants including **MRSA**. These two petri dishes show an example of mold and bacteria reduction after only 24 hours of using an Air Oasis unit.
